WORK EXPERIENCE

U.S. Army (Fort Bragg, NC) | August 2024 - Present

Operations and Financial Manager

- Directly responsible for a team of 25 personnel, managing and training the team to execute disbursing, contracting, and payroll support to Service Members in an expeditious and remote environment.
- Ensured over \$10M in annual payroll and contracting transactions processed with 98% accuracy.
- Organized and managed training for 69 personnel on financial systems and procedures with a focus on internal controls and building continuity.

U.S. Army/Multinational Force and Observers (Sharm El-Sheikh, Egypt) | July 2023 - July 2024

Deputy Disbursing Officer

- Managed and maintained a Finance cell supporting 1200 individuals across 13 different countries with disbursing and payroll support with a high degree of autonomy.
- Ensured strict compliance to internal controls and audit standard for financial operations and IT systems, managed the accountability of \$350,000 in physical currency and thousands of digital financial instruments
- Implemented Power Automate to streamline file transfers between DoD and foreign network environments.
- Spearheaded the implementation of a new travel payment portal, improved travel processing times by over 90%.
